## About Us

---

Vectare was founded in 2016 by young entrepreneurs Dominic Kalantary and Peter Nathanail with the simple vision of making public transport better. Combining new technology with transport planning expertise, the two friends have successfully grown the business into a leading UK supplier of school and corporate transport solutions, working with 50+ independent schools across the UK and responsible for over two million passenger movements per annum.

## What is the Passenger App?

---

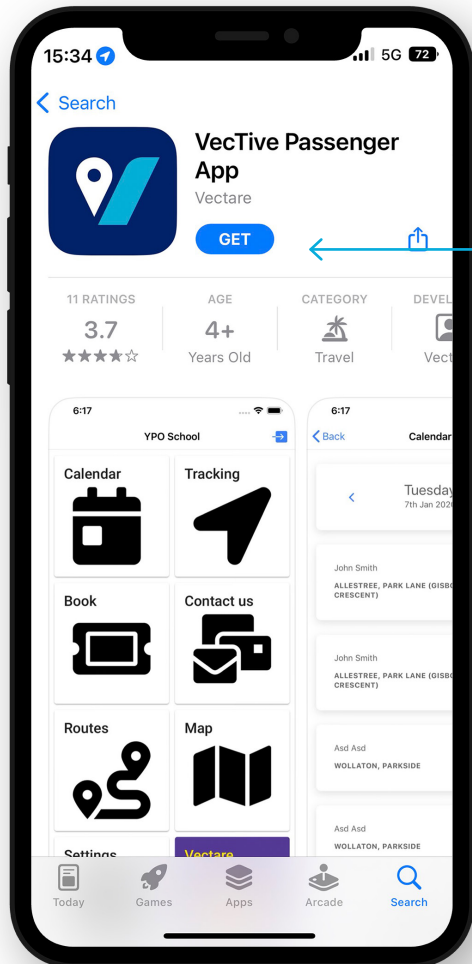

Our iOS and Android Passenger App allows pupils and parents to view their bus network, manage their daily bookings, and see live tracking provided by the driver app in real time. The passenger App is linked to the school's transport site and provides its users with quick access to the school bus service.

## How to install the Passenger App (iOS):

# How to use the Passenger App

## Logging in

Please use the same login detail you used when made a booking on your School Transport site. If you forget these details, you can reset them on the site. Alternatively, please contact [contact@vectare.co.uk](mailto:contact@vectare.co.uk)

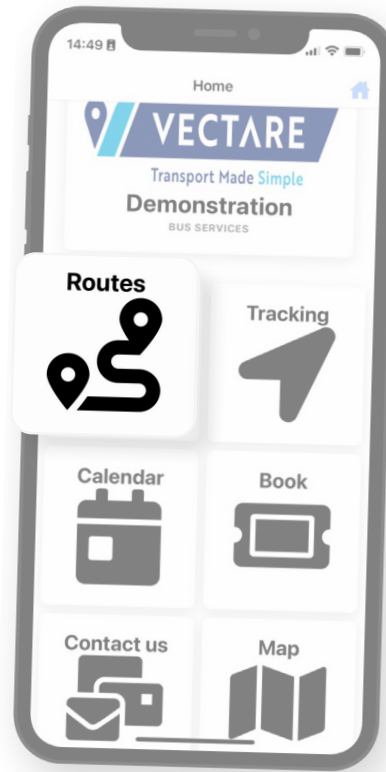

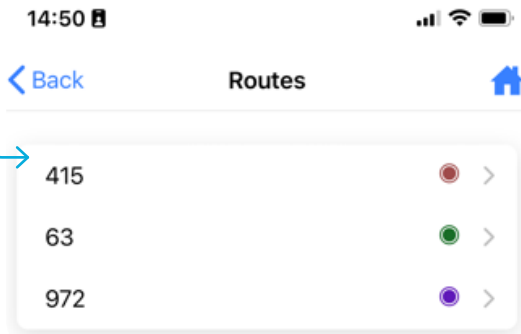

By selecting the route you wish to book, you will be able to view a list of all the stops available on that route.

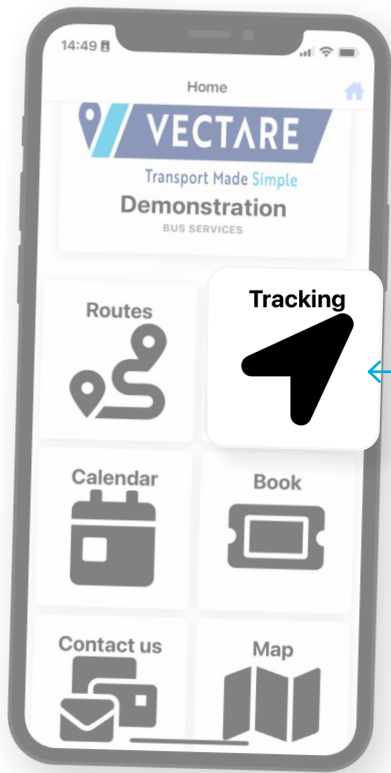

## Viewing the routes

Once logged in, you can view all the information on all the routes and stops. To do so, please navigate yourself to the 'Routes' section of the app.

You will then be able to see a list of all available routes.

By selecting the stop, you can view the location, timetable, and fare information for that stop. The map is interactive – you can zoom in and zoom out to get more details.

### How to track your child's bus

To track your child's journey please navigate yourself to the 'Tracking' section of the App. Please note, tracking will ONLY be available when the journey is in live operation.

### Journey Calendar

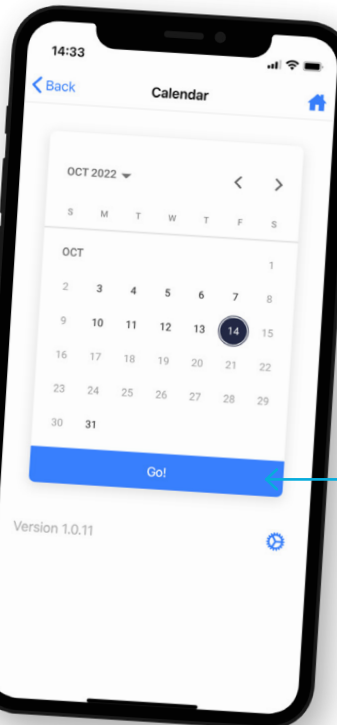

In order to access the Journey Calendar, please select the 'Calendar' icon.

From here it will then show a calendar with days that you have journeys booked for highlighted.

You can then select the journey that you would like to amend, i.e., marking a journey as 'Not Travelling'

Tracking will be shown only for the journeys you have a booking for. Please select your journey and you will then be able to see the live location of the bus.

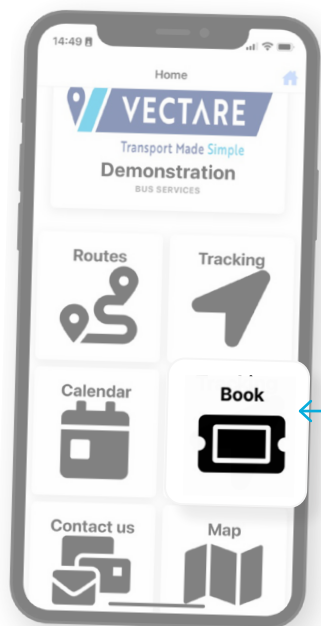

Click on 'Go' and you will then be able to view your journeys.

In order to then mark your child as not travelling please click on the 'X' and then select 'Confirm'.

## How to make a booking

By clicking on the 'Book now' button you will be redirected to the booking page on the site.
